Poli Mortgage Group, Inc. Continues its Expansion with a new Branch Opening in Decatur, Georgia

FOR IMMEDIATE RELEASE

Norwood, MA, November 8, 2010: Poli Mortgage Group, Inc., one of the largest privately owned, direct lending mortgage companies in New England, headquartered in Massachusetts, announces the continuation of its expansion plans with the opening of a new branch in Decatur, Georgia. The Decatur branch is located at 144 South Columbia Drive, Decatur, GA, 30030. This latest addition in Decatur is our second branch in the state of Georgia and will allow us to more efficiently serve our Atlanta-In Town clients.

Edmund "Chip" Poli, the President and founder of Poli Mortgage Group, Inc., says, "We are very pleased to announce our new branch opening in Decatur and we are fortunate to have Mark Moore, a 10 year mortgage industry veteran and one of our top loan originators from our Duluth GA branch, managing this branch. Our expansion in Georgia is a result of the great success of our Duluth, GA branch. Our hard-earned reputation and ability to close loans successfully has allowed us the opportunity to grow. With the opening of our new Decatur branch, Poli Mortgage Group will be able to serve even more clients, while our current customers will continue to receive the personal attention they each deserve, providing them quick turnaround and a fast process for their mortgage needs."

Mark Moore, Decatur Branch Manager says, "I'm thrilled to be able to take my knack for knowing just the right time to lock a rate and my knowledge of the industry to provide what I hope is unmatched service to the in-town Atlanta clients. I believe we truly offer the best breadth of products and certainly the best rates in this market. Our growth is an indicator of how strong our company is and I'm excited to be leading the Decatur team."

To contact the Poli Mortgage Group Decatur office, please call 404-373-3411. We at Poli strive to make your mortgage financing experience an exceptional one.
